Expert, Toll-Free Phone Support

Top quality service from FAS Customer Support is just a toll-free call away. Our team of experts is dedicated to providing you with fast, responsive telephone support, Monday through Friday from 8:00 am to 8:00 pm (EST).

24-Hour Access to SupportPlus Online

SupportPlus Online is an invaluable online resource available exclusively for FAS SupportPlus members through Best Software's web site. Here you can search for answers to your technical questions in the Support Knowledge Base, read the FAQ list, instantly download files, or access TechTutor—a library with more than 50 multimedia product tutorials.

FAS Solution Center

The FAS Solution Center is a self-service technical support resource. Located in SupportPlus Online, the Solution Center gives you direct access to a wide range of FAS technical information. All you have to

(over, please...)

do is enter a description of your desired topic or area of concern and our online knowledge base will provide the solution.

Quick and Convenient Electronic Services

With FAS SupportPlus, you can send technical questions and backup documentation to FAS Customer Support via fax or email and a Technical Support Representative will respond with the information you need.

Automatic Software and Tax Updates

You'll receive fast, automatic delivery of important new product releases that provide tax law updates and software enhancements. With FAS SupportPlus, your software will always be kept up to date for you.

Special Discounts

FAS SupportPlus entitles you to special money-saving discounts on FAS products—you pay less to trade up to more advanced software. In addition, you save money on our helpful FAS training classes.
